CHENNAI, TAMIL NADU.

EDUCATION

Bachelor of Engineering in Computer Science and Engineering
Hindusthan College of Engineering and Technology
CGPA : 7.5

2022– 2026
Coimbatore

SKILLS

Programming Languages	Java, Python, JavaScript
AI / Machine Learning	TensorFlow, Scikit-learn, OpenCV, NumPy, Pandas
Generative AI	LLMs, Transformers, LangChain, FAISS, RAG
Web Development	HTML, CSS, JavaScript, React.js
Backend / Frameworks	Spring Boot, Flask, Node.js, REST APIs
Databases	MySQL, MongoDB Atlas
Tools & Technologies	Git, GitHub, Docker.

INTERNSHIPS

Full Stack Development Intern
CodeAlpha
Jun 2025– Jul 2025
Remote

Developed a full-stack e-commerce web application with product management, cart, and order processing features, building responsive user interfaces using HTML, CSS, and JavaScript. Implemented backend logic with MySQL and designed REST APIs for authentication and product management.

PROJECTS

- SignConnect AI – Speech to Sign Language Translation System**
Developed a web application using Flask, HTML, CSS, and JavaScript to convert speech and text into sign language. Used NLP (spaCy) to process input and generate outputs using GIFs, videos, and 3D models with a responsive UI.
- Multi-PDF AI Chatbot – AI-Powered Document Query System**
Developed a RAG-based document question answering system using Flask. Implemented PDF text extraction, embeddings, FAISS vector search, and LangChain for accurate semantic retrieval and AI-powered question answering.
- DermaScan AI – AI-Powered Skin Analysis System**
Developed an AI-powered skin analysis platform using React.js, Node.js, Express.js, and MongoDB Atlas. Integrated a TensorFlow CNN model for skin disease classification and real-time result visualization through a responsive web interface.

CERTIFICTIONS

- Tata – GenAI Powered Data Analytics Job Simulation (Forage)
- Deep Learning Fundamentals – IBM Developer Skills Network (Cognitive Class)
- HTML, CSS, and JavaScript for Web Developers – Johns Hopkins University (Coursera)

LANGUAGE

- Tamil (Native)
- English (Professional)
